Case No. 16-2009-202990

Public Letter of Reprimand

On October 21, 2009, the North Carolina Medical Board issued a Public Letter of Concern against your medical license. The North Carolina Medical Board found that you failed to appropriately disclose that you were placed on probation during your urology residency at the University of Iowa despite being asked this question on your North Carolina medical license application. This action is in violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
